Subject: San Juan Water District's Comments on Delta Plan EIR Notice of Preparation

Dear Ms. Macaulay:

The Delta Stewardship Council included San Juan Water District in the list of responsible agencies in its notice of preparation of a draft environmental impact report (EIR) for the Delta Plan. The District respectfully requests that the Council remove the District from the list of responsible agencies in that draft EIR. The District is not located within the Delta and its actions will not be covered actions that can be appealed to the Council.

Very truly yours,

Shauna Lorange
General Manager
